wa alaykumussalam

jazakallah brother

yeah its been a while since I posted here. By the way remember "Whisper" and those other guys?

Part 4 of my video should shut them all up for good (if they are still around)

And I read your post some months ago about Iraq and how Sadr has gained much more power.

They also got the Sunni groups to kill eachother off (I had warned about this...)

Salaam

Yes how could I not remember Whisper, but you know he passed away and this place has mellowed down alas there is no fix to the problems we have been discussing! I

know from my experience the west would support anything but the ahle sunnah amongst Muslim everywhere cuz that was who they knocked over with their onslaught...

There is no solution other than west go broke in military spending and that what is happening in front of our eyes...The question is are ahle sunnah people ready and able to set things right out of this big messShocked
